ALTASEA DOCENT AND GUIDE

VOLUNTEER OPPORTUNITIES

ROLE OVERVIEW
Docent and Guide Volunteers serve as ambassadors for AltaSea, providing informative and engaging tours of our facilities and exhibits. Volunteers share knowledge about marine science, sustainable practices, and the history of AltaSea and the Port of Los Angeles, enhancing the visitor experience and promoting awareness of ocean conservation.

RESPONSIBILITIES
Lead guided tours of AltaSea's campus, highlighting key features and research. Assist with visitor check-in and crowd management during tours and events. Answer visitor questions and engage in discussions about the research, business, and education that is happening at AltaSea. Collaborate with staff to ensure a safe and enriching experience for all visitors.

REQUIREMENTS
- Excellent verbal communication and presentation skills.
- Passion for marine science, sustainability, and environmental stewardship.
- Comfortable leading and interacting with diverse groups of up to 20 participants.
- Ability to convey complex concepts in an accessible and engaging manner.
- Ability to walk and stand for extended periods of time.
- Ability to lift and carry up to 25lb.
- Ability to be outside for extended periods of time.
- Capability to engage in training to learn, understand and present AltaSea's programs and initiatives.
